Foreword

“Through thy doors we enter . . .”

What lies behind this phrase of our new Alma Mater? Why do we enter these doors? There are various reasons — to acquire knowledge, to cultivate friendships, to share laughter and activities. And yet, these cannot be separated, for if we find one of these, will not the others be there also?

Hampton High School is a wonderful mixture of the knowledge, fun and friends that we must work diligently to secure. But we must also be fair with others, and with ourselves, so that when we eventually say “Through thy doors we exit” there will be a feeling of pride and accomplishment within us.

In Memoriam

HENRY TAYLOR SOUTHALL, JR.

March 9, 1941 — February 23, 1958

SPECIAL EVENTS and CURRICULUM

As we enter the doors to school, we are entering a world of knowledge and perpetual learning. But the curriculum is not the only advantage Hampton High School offers — there are the extra special activities which are so important to all of us. Among these are the scholastic competitions in which outstanding students participate.

However, academic achievements are only part of our special events — there are the social activities, too. And among these is the highlight of the basketball season — the coronation of Homecoming Queen.

These special events are vitally important to every one of us, for without them, school would soon become the monotonous activity it was not meant to be.

Early in October the new Hampton High School was dedicated at a special ceremony. Mr. Colgate Darden, President of the University of Virginia, was the honored speaker.

The winner of the best float prize for the annual Thanksgiving Parade — the night before the Turkey Day Game with Newport News — displays its prize-winning design.

Mr. Donald Taylor welcomes Mr. George Tanner, Mr. Bill Morgan, Dr. William Taft, and Mr. Bob Lynch to the T.P.A. meeting. Dr. Taft was the main speaker. He is from the Journalism Department at the University of Missouri. This year the annual Tidewater Press Association Meeting was held at Hampton High School. Representatives from several Tidewater school annuals and newspapers attend this meeting to gain helpful pointers in making their publications better.

S.C.A. Events

Skippy Tyler, a Hampton High School graduate, comes with a representative from West Point to College Night to talk to prospective students.

Bill Canepa is Vice-President of the Peninsula S.C.A. Federation.

Ann Shield is Sergeant-at-Arms of the Peninsula S.C.A. Federation.

Faye Croom carries out the rules of Twirp Week for Waverly Timberlake.

S.C.A. representatives meet with the winners of Hampton's annual Red and White Day awards.

Achievements

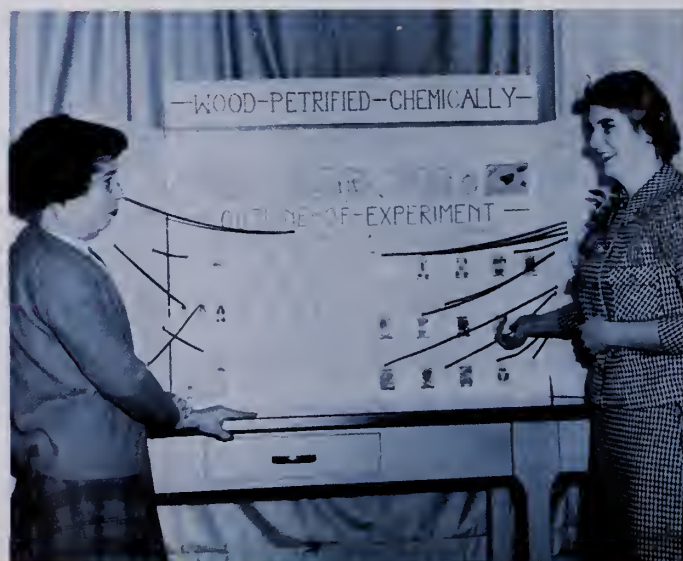

Hampton students who placed high enough on the first part of the Merit Scholarship tests to be selected as semi-finalists are Wesley Lockwood, Craig Zimmerman, Bob Myers, and Ben Harrison. Absent from picture is Wythe Holt.

Joyce Gottlieb was chosen to receive the DAR Award for good citizenship.

Luanne Halman was voted Azalea Princess from Hampton.

Lynn Tanner displays her project on wood petrified chemically to Miss Bully, which won her top honors in the Tidewater Science Fair, and a trip to Michigan to compete in the National Science Fair.

This year twenty-one students from Hampton High School were chosen to be in the All-State Band of Virginia.

These people were chosen to represent Hampton in All-State Chorus which was held here this year.

Hampton's delegates to Boys' and Girls' State this past Summer were Martha Lou Goding, Betsy Wetmore, Joyce Gottlieb, Margie Kersey, Wesley Lockwood, Lee Brown, Marvin Teachey, Joe Dellapenta, Charles Talbott, Sam Hixon, Donald Flanders, James Dynes, and Duane Davis.

At the Girls' State convention last year, Joyce Gottlieb had the distinction and honor of being elected Governor of Girls' State.

Betsy Wetmore, Margie Kersey, and Charles Talbott were elected mayors of their cities at Girls' and Boys' State this past year.

Sam Hixon was elected Clerk of the House of Representatives at Blacksburg last year and Lee Brown was given the honor of Speaker of the House.

Hampton High School was excellently represented at both Boys' State and Girls' State this past year at Blacksburg, Virginia. Girls' State's highest office, Governor, was taken by Joyce Gottlieb. The mayors of two Girls' State cities were Hampton students Margie Kersey and Betsy Wetmore. Margie Kersey's city was given the title "Model City" and Margie was presented with a plaque, now on display in the trophy case. Betsy Wetmore was selected outstanding citizen in

her city.

Boys' State was not to be outdone. Charles Talbott was elected mayor of his city and Sammy Hixon was chosen Clerk of the House of Representatives. Lee Brown received the distinction of becoming Speaker of the House.

The entire student body is extremely proud of all of the delegates to Boys' and Girls' States.

Vance Brown receives his award on the Voice of Democracy from Mr. Robert Boswell.

Paul Webb displays his science project which won one of the top prizes at the Tidewater Science Fair and he went to Michigan where he won an Army prize.

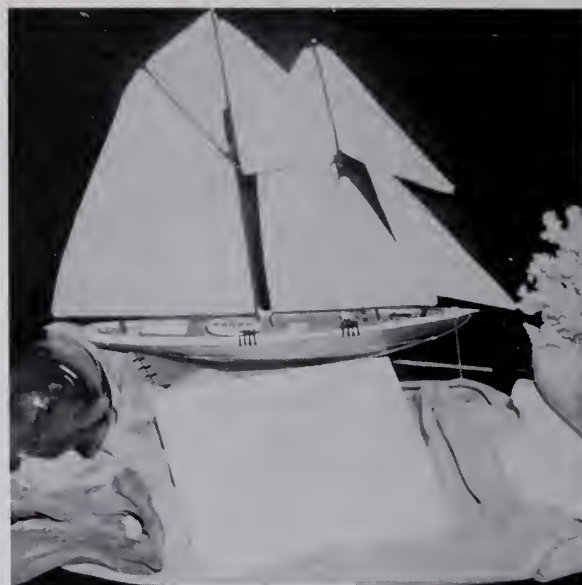

Mr. Elbert Carr, a member of the H.H.S. faculty, is spending this year in Greece, as an exchange teacher.

Mr. Roland Ralph directs the annual function of singing Christmas carols in the halls just before Christmas.

Members of the Seafarer Staff are James Dynes, Patsy Saunders, Judy Stott, James Lottinville, Pat McDaniel, Editor; Ilene Lambert, Barbara Lighty, and Betty Morris.

Sponsor of the Seafarer is Miss Gwendolyn Harrington. This is the first year for a literary magazine at H.H.S.

This year, for the very first time, Hampton High School has an Alma Mater. This new Alma Mater was written by Charles Torian and Vincent Ewell. We are all very proud of these two boys for their fine work.

Finalists in the W.R.V.A. Scholarship contest are Craig Zimmerman, Sharon Chapman, Beth Stafford, Ben Harrison, Wesley Lockwood, and Bob Myers.

The first play of the year at H.H.S. was the Fall Play, "Time Out For Ginger."

Mary League, Football Homecoming Queen, sits with her court, Maribelle Bryde, Junior attendant, Cathy Childre, Senior attendant, and Ann Decker, Sophomore attendant.

Mary is shown after the coronation with her escort Sam Hixon.

Cathy Childre was elected Basketball Homecoming Queen, and her attendants are Sue Parrish, Sophomore attendant, Luanne Halnan, Senior attendant, and Maribelle Bryde, Junior attendant.

Cathy is shown with her escort, Lee Brown, after her coronation.

One of the new classes this year, German, is taught by Miss Suzanne Prillaman.

Curriculum

Mr. Edward Szetela aids his small but interested Russian class.

Mrs. Watson explains the difficulties of English

The curriculum at Hampton has been greatly expanded in the last few years. Added to the language department this year were Russian, taught by Mr. Edward Szetela, and German, taught by Miss Suzanne Prillaman.

The vocational arts department has also been increased this year by the acquisition of courses in practical nursing and dietetics. In addition to these new subjects are the old standbys — home economics, wood, metal, and electrical shops.

Algebra, plane and solid geometry, trigonometry, and advanced math are the higher mathematics offered at Hampton. Of course, commercial maths such as bookkeeping, and general business math are also taught. These are a part of our excellent commercial courses.

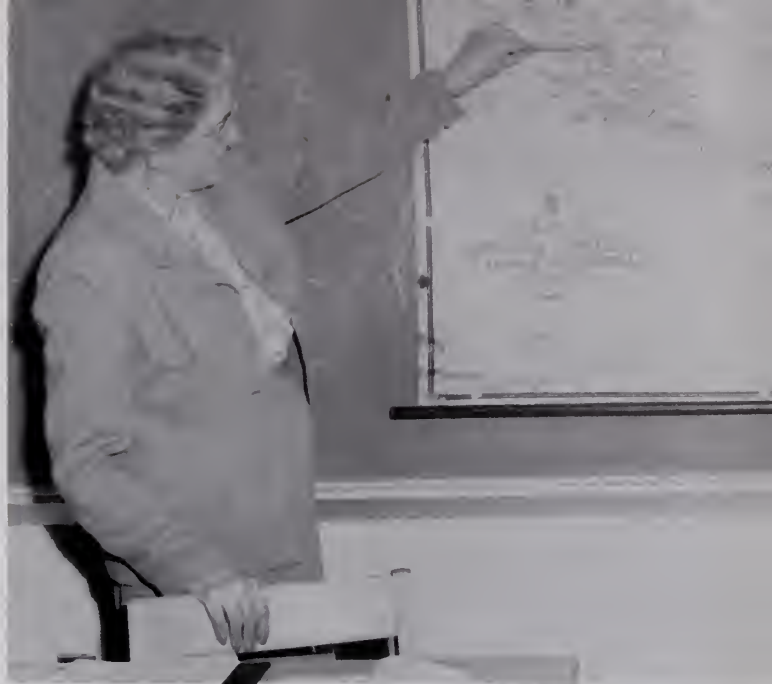

Science has become such a major issue in modern education that an outstanding science department is a “must” in a good high school. We count ourselves extremely fortunate that the instructors of biology, chemistry, and physics at Hampton are striving to make these courses the best in the state.

Each student has a choice of the language, math, and science he wishes to take. Every student is required to take three years of English, one of United States history and one year of United States government. Physical education is not neglected; a student must have two years of physical education in order to graduate.

Students at Hampton are not always told “You must take this or that.” Many electives — art, speech, journalism, vocal and band, for example — are offered to insure each graduate of a well-rounded high school education.

Literature to the students in her English class.

Miss Ham pinpoints places of interest to her Spanish students.

Latin scholars translate a story of the old Romans into English for their assignment.

Nancy Mills points out the grandeurs of Paris to French students.

Duane Davis explains a problem in Review Math class while Mrs. Parrish and the class look on.

Students in plane geometry construct figures on the board for the benefit of the class.

An important part of biology is the dissecting of small animals as these people are finding out.

A typical chemical reaction covers this chemistry room with a cloud of smoke.

Students in American History look at projects others have made.

World history scholars study their ever-important books.

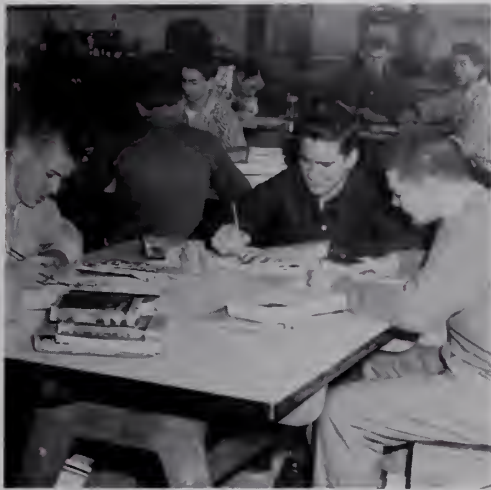

One of the new classes at H.H.S. this year is Practical Nursing, taught by Miss Cutchins.

Members of Miss Harrington's Journalism class practice their creative writing.

Art is one of the many electives which can be taken by students. Here pupils practice painting a fine line.

Eva Dale learns the art of public speaking in Speech class.

Future engineers and Apprentice School students take advantage of the excellent drafting course at Hampton.

Students learn how to type with speed and accuracy in the typing classes at Hampton.

Mr. Gibson assists Edward Compton with his shop work.

FACULTY and ADMINISTRATION

How many of us fully appreciate our outstanding faculty and administration? Without the administration our school could not possibly function smoothly and efficiently. But the job is not theirs alone — we must also do our part by cooperating with them to the fullest extent.

However, the administration is not the entire school. Our faculty is equally important because of the effect they have on our futures — not only by the knowledge they present but also by their opinions which we unconsciously absorb.

CLASSES

"No man is an island . . ." but is constantly dependent upon others. We must secure the friendships of those we meet in order to lead satisfying and worthwhile lives.

Our classes offer us the opportunity to associate with others and to develop tact and poise. With the social wisdom we gain, the doors to a successful future are opened to us.

If I had only one wish for you, it would be that you understand the importance of having faith. With satellites circling the sun, with scientists shooting for the moon, there is only one stabilizing factor which will hold the world together, and that is faith — faith in ourselves, faith in our fellow men, faith in our state, faith in America, and above all, faith in God.

ACTIVITIES

Various activities are the necessary hinges on which opens the great door to the success of our lives. At Hampton High School we can easily find the key to open these doors.

Sponsored by understanding teachers, our activities are excellent outlets for our imaginations and energies.

OFFICERS: James Branscome, Chaplain; Sammy Hixon, Treasurer; Craig Zimmerman, Secretary; Wythe Holt, President; Jeff Ellerson, Vice-President; Lendell Camden, Corresponding Secretary.

Key Club

Much of the school's beauty is derived from its service clubs. Such an organization is the Key Club, whose membership is composed of boys having high scholastic standing and leadership ability.

Mr. Garland R. Lively is the faculty advisor of the group which is sponsored by the Hampton Kiwanis Club.

Bruce Conway and James Dynes proudly display the Key Club banner.

FIRST ROW: Mr. Garland Lively, J. Branscome, C. Zimmerman, J. Ellerson, L. Camden, S. Hixon. SECOND ROW: M. Walton, J. Eason, D. Pereira, J. Dellapenta, A. Briggs, L. Brown, B. Conway. THIRD ROW: D. Davis, C. Talbott, W. Lockwood, R. Myers, G. Ferguson, V. Rumble, M. Brown. FOURTH ROW: A. Hutton, C. Hanburger, J. Dynes, W. Canepa, M. Teachey, C. Torian, D. DeAtkine. FIFTH ROW: R. Nobles, M. Hatcher, D. Flanders, R. Croft, J. Taylor, R. Hamilton, B. Hundley.

LEFT, front to back: R. Woodman, S. Davis, J. Eason, R. Sowers, W. Spencer, J. Branscome, D. Pereira. RIGHT, front to back: T. Lawson, A. Hutton, M. Walton, A. Briggs, W. Burton, W. Canepa, J. Dellapenta. ACROSS: J. Ellerson, J. Follmer, L. Brown, Coach Lethoa.

Varsity Club

For the "men of action" at Hampton High, there is the Varsity Club, the Crabber sports stars' fraternal organization. The club's main project is the furnishing of cheerleaders' megaphones. Sponsored by Coach Art Letoha, the Varsity Club members also promote various social and service activities.

OFFICERS: Lee Brown, Treasurer; Jeff Follmer, President; Jeff Ellerson, Vice-President; Mr. Art Letoha, Sponsor; Jimmy Eason, Secretary and SCA Representative; Ronnic Sowers, Chaplain.

Tommy Matthews plays carols for Krabba Karavan's Christmas program. Behind the piano are Nancy Spady, Mary Purser, Robin Hudgins.

NANCY SPADY, Mistress of Ceremonies.

Krabba Karavan

"On Air!" signals the opening of each new edition of Krabba Karavan, the Radio Voice of Hampton High. Every Saturday morning, the Karavan staff brings its listeners the news and sports of Hampton High School plus interviews with prominent school personalities.

Krabba Karavan is sponsored by Mr. Charles D. Johnson in cooperation with WVEC Radio.

SCA

As the governing body of the school, the Student Co-operative Association is divided into two branches.

The S.C.A. Council is composed of two representatives from each homeroom, who plan the dances, assemblies and social projects of the school year. To help students plan for the future, the S.C.A. works with the Parent-Teachers Association to sponsor Career Day and College Night programs.

Each student has a voice in the Council by helping to elect homeroom representatives and by taking part in S.C.A. elections.

Organized in 1955, the Student Relations Council forms the second branch of school government. Its aim is that of promoting honor among the students. Anyone found breaking rules of the honor code are referred to the Council for consultation.

Distributive Education

The Distributive Education Program enables business students to become acquainted with the fascinating world of buying and selling. This year, the Hampton Chapter was host club to the District D.E. meeting. The group and their sponsor, Mrs. E. B. Lominack, took a field trip to Richmond in addition to regular professional meetings.

Hampton opened its very successful 1958 season with a high-scoring 51-0 victory over Benedictine. In an away game with Cradock, Hampton trailed 13-7 at the half, but the Crabbers pulled this one out of the fire with a 19-13 win. Hampton defeated Maury 35-0 in a poorly attended Monday night game at Darling Stadium, rescheduled because of rain. A much talked about Halifax team was the Crabbers' fourth victim in a 34-0 game.

Hampton led Wilson 14-6 at the end of the first half, but Wilson won this one with a second-half drive.

Touchdown bound — Jeff Follmer.

After defeating powerful Granby 27-6, Hampton had high hopes for giving undefeated Norview a run for their money, but this was not to be. The Crabbers lost to Norview 20-0.

The Crabbers gave the homecoming crowd a fine exhibition, defeating Warwick 13-6 in one of the most colorful games of the '58 season.

Hamptonians journeyed to Newport News on Thanksgiving Day to see the Crabbers bring home the turkey in a 35-14 victory over the Typhoons, in a game which put Hampton ahead in games won in this ancient high school rivalry.

Future Varsity talent snowed under at last.

The Junior Varsity football team, under the guidance of coaches Becouvarakis and Brogden, had a fairly good season this year, winning three of their six games.

The co-captains of the team were Larry Turner and Charles Kruse. The high scorer of the season was Eugene

Tattini, who made eleven touchdowns and five extra points, comprising a total of 71 points. The most valuable back was also Eugene Tattini. The most valuable linemen were Elmer Turner and Charles Kruse.

JV's rush the center of the line.

Cross Country

Our Cross Country team enjoyed a most successful season this year.

The outstanding runner of the year was Billy Sanchez, who took first place in five dual meets, first place in the state A.A.U. meet, first place in the Eastern District meet, and third place in the state meet. Billy also broke the record for the new Huntington Park course, running it in a fast 9.50.1 minutes.

HAROLD ALLEN

JAMES BRANSCOME

Hampton's Cross Country team won all its dual meets this season, making this the fifth successive year that the team has been undefeated in dual meets. In the meet with Norview, our team won all of the five first places, thus acquiring a perfect score of fifteen. The low scorer in a cross country meet is the winner.

The members of the team were Harold Allen, John Allen, James Branscome, Billy Canepa, Joseph Dellapenta, Charles Palmer, Jack Pittman, Billy Sanchez, and Wilbur Spencer. The boys listed above are those who represented Hampton High at the meets. However, many other boys who trained with those above worked unceasingly to help our team to be the outstanding team that it was.

THE 1958-59 SEASON

This year's Basketball team has worked twice as hard as any team so far. Even though their record is not the absolute best, any team that beat them did so by very few points, usually less than four. This year's team suffered from an unusual lack of height, but this was made up for by our fighting little men. They piled up a fantastic number of points in one season, which puts them up top in the state. They played three games in which the score exceeded seventy points per game.

The '58 squad was quite versatile in that it was able to change from a fast-breaking "pony express" team to a slow, deliberate ball-handling team.

This scrappy little Crabber team came off the floor as winner in six of their last seven games in order to win a place in the Eastern District Tournament, held this year at Princess Anne High School.

Regardless of the final score, the basketball team of this season has captured the admiration of its fans.

Junior Varsity Basketball

The Junior Varsity Basketball team did fairly well this season, winning its share of the games.

The team was spurred on by the backing and high scoring of Mike Cole, Wayne Presnell, Gene Nobles, Donnie Donadio, Dickie Calfee, and Bobby Ball, who joined the team in mid-season.

The five high scorers of the year were Mike Cole, with a total of 156 points; Gene Nobles, with a total of 83 points and an average of 5.2 points per game; Dickie Calfee, with a total of 81 points and an average of 5.1 points per game; Wayne Presnell, with a total of 78 points and an average of 4.9 points per game; and Donnie Donadio, with a total of 73 points and an average of 4.6 points per game. These are not the final scores and averages, since the annual went to press before the last two games were played.

Mike Cole scored the most points in any single game, shooting 22 points in the game against Maury.

A rebound missed by the Crabbers.

ADVERTISEMENTS

Through thy doors we exit — with a mixture of feelings. We are joyful that school is over, and yet — we are a little sad, too, for we are leaving behind the wonderful friends we have made and experiences we have had.

Although one chapter of our lives has been completed, a fresh one has just begun. In this new chapter, our lives will be influenced by the business and professional world, characterized by our advertisers.

*Are you
that
"Special"
Gal
we're
looking
for?*

We hope so. Because we have interesting jobs for "special" gals here at the telephone company.

If you're alert and like people, you'll like it here. The surroundings are pleasant, the pay is good right from the start—and you'll have lots of opportunity for advancement and raises.

There's a "special" extra, too. You'll have that wonderful feeling of making an important contribution to your community. Come talk to us about telephone work. We'd love to meet you!

ACKNOWLEDGEMENTS

Publication of the 1959 KRABBA would have been impossible had we not received the cooperation of our photographers, Messrs. Holland, Farabee, Whiteed and Cheyne; our many advertisers, and the faculty and students of Hampton High School.

We wish to take this opportunity to express to them our deepest appreciation.
